

Adobe Digital Disha Collaboration

Symbiosis Skills Universities and Adobe aim to empower educators and students to enhance learning outcome through providing them with the tool to transform teaching and learning.

Adobe Digital Disha is one of such initiative which envisions to empower educators to provide different kinds of digital experiences to students to learn new age skills and develop crucial 21st century skills – ***creativity, communication, collaboration and critical thinking***. Enhance innovation and creativity among students is one of the main objectives of the program.

The following are offered as a part of the program to each student of SSOU, SUAS and SCDL under this collaboration:

- Access to Spark with Premium features (no cost)
- Participation of educators and students in Adobe sponsored competitions
- Sample content as a reference guide for the educators
- Faculty development training
- Access to Adobe Education Exchange

All students and staff will get to access Adobe Spark Creative Suite through their official email IDs. Visit Student Portal / Staff Portal for More Details.
